MALVERSE MARTIN SR. GRADUATE STUDENT SCHOLARSHIP APPLICATION
All applications are due by June 1st.

INSTRUCTIONS & GUIDELINES

The Malverse Martin Sr. Graduate Scholarship Award was created to honor the memory of a venerable leader and beloved patriarch of the United Martin Family. Malverse Martin, Sr. embodied the spirit of our family crest insignia: Fearless, Prosperous, and Boundless. It is because of his fervent efforts as a proponent of nationalization for our family infrastructure that we now have the United Martin National Organization with affiliated state chapters. Malverse was a strong believer in pursuing higher education, sending each of his children to college. He earned an Accounting degree from NYU, and worked as an Accountant for the City of New York, in addition to his career as a successful entrepreneur in insurance and real estate. His life exemplified the importance of pursuing higher education in two areas on which this graduate scholarship is based: Business, reflecting his own outstanding career, and Medicine, acknowledging the career of his son who became an OB-GYN after years of sacrifice and great educational expense.

The Graduate Scholarship is limited to those who have completed an undergraduate degree and have been accepted for admission to a graduate program in Business (MBA) or Medicine (M.D. or D.O.).

Eligibility:

To be eligible for this graduate scholarship, you must fulfill the following criteria:

1. Have an earned undergraduate degree from an accredited college in the U.S.
2. Be accepted as a full-time (not part-time) graduate student in Business or Medicine at an accredited university.
3. Be able to trace your ancestry to one of the original Martin siblings whose mother was Katie and grandmother was Trasie.
